- 8. This Order is immediately effective and enforceable, notwithstanding the possible applicability of Bankruptcy Rule 6004(h) or otherwise.

Reason: The Debtors have conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the Debtor submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. No liability exists on account of the other activity asserted as the modified tickers and quantities above reflect the claimant's holdings as of the petition date. Accordingly, the Debtors seek to modify the asserted claim to match their books and records.
